Please look on the above for information on what your child will be/have been doing on daily/weekly basis

Welcome to the first half of this new academic school year. We hope you had a lovely Summer, making lots of happy memories. Staff would like to welcome our existing and new children and their families to Pre School. It is a busy time as we settle the new children into the Pre School routines and get to know each other. If you are unsure about any issues relating to Pre School, please speak to a member of staff either before or at the end of the session.

This terms topic is
Nursery Rhymes

Which covers "Communication and Language." The children will learn about traditional rhymes and they will be making their own Nursery Rhyme book.

All children will have some time playing outdoors, can you please dress your child accordingly and bring in a sun hat/sun cream. It can still be very warm and sunny in the month of September

If your child is unwell or will not be in, can you please telephone or text Pre School to let us know and not a member of staff as our Phones are locked away during session time. Remember all fees still have to be paid if your child is absent.

Collecting Your Child Late

We ask that you collect your child promptly at the end of their session. We support children's welfare at all times and it can be distressing if a child sees others leaving and fears they have been forgotten. Please contact us as soon as possible if you're running late, if there is an unexpected delay or someone else is picking your child up. We do understand that from time to time things happen and you maybe a little late to pick up your child. If you are going to be late please call Pre School Staff and let them know.

Obviously you will not be charged for the occasional lateness, but if it becomes repetitive you will incur the fine of £2.00 per session if you continue to collect your child late.

An Educational Fun Place to
be
