Please look on the above for information on what your child will be/have been doing on a daily/weekly basis

Welcome to the first half of the academic school year. We hope you had a lovely Summer. Staff would like to welcome existing and new children and their families to Pre School. It is a busy time, as we settle all the children into the Pre School routines and get to know each other. If you are unsure about any issues relating to Pre School, please speak to a member of staff either before or at the end of the session.

All About Me

This terms topic is
All about Me
This will cover Personal, Social and Emotional, Communication and Language development

All children will have some time playing outdoors. Can you please dress your child accordingly and bring in a sun hat, you can leave it on your child's peg, please don't forget to put their name inside of it. It can still be very warm and sunny in the month of September.

If your child is unwell or will not be in, can you please telephone text or WhatsApp Pre School on the phone number above to let us know. Remember snack/Parental fees still have to be paid if your child is absent.

Gallery Photographs - we try to share with you all the great things we do in Pre School by changing the photographs that are placed on the entrance wall.

An Educational Fun Place to be
